French – Les Coccinelles – (parents emailed in May to register interest direct with club) –
Tuesdays & Wednesdays

French lessons with Les Coccinelles - Autumn term 2022

Tuesdays from 8 to 8.45am for Year 1 and 2
Wednesdays from 8 to 8.45 am for Year 3 to 6

During the lessons, children are introduced to the French language, culture and traditions.

Our aim is to encourage a positive attitude towards learning languages, which will help children get a head start and to succeed in their future schools.

At Sheen Mount, our French Teacher will be Sylvie Rivière. Sylvie is French and is an experienced teacher. She loves sharing her language and French customs with the children and has a lovely approach.

Our classes are kept small with no more than 15 children to maximise oral expression and work with each child. Above all the lessons are made fun, being taught through games and role-play with the use of educational prompts, puppets and songs. Older children are introduced to reading and writing through fun exercises. Our programme follow the national curriculum for Modern Foreign Languages in Primary schools and will give a head start to your child when starting secondary school.

SHEEN MOUNT PRIMARY SCHOOL

CAMPAIGN FILMS

To kick off our inaugural Film Club at Sheen Mount Primary School, we'll be partnering with a local or national charity to make a distinct charity campaign film using Sheen Mount creativity. Whether it's pouring a bucket of iced water over your head for ALS, 'A Dog is for Life, Not Just for Christmas' by the Dogs Trust or Wear it Pink for Breast Cancer Now, there are thousands of inspirational campaigns to inspire an effective short film to support a new campaign in Richmond Upon Thames, nationally or globally. This is a huge opportunity that will resonate with your child for years to come and hopefully inspire a future in film or in any creative industry. Most of all, Film Club is **FUN** and we can't stress that enough. Whilst our Club cultivates courage, creativity and performance, every member of our 'crew' leaves full to the brim with enthusiasm. With experienced guest instructors guiding Art Direction and Music composition, Film Club's a complete production experience and utterly unique in its offering. We can't wait to get started...
