The logo for 'THREE THIRTY' is displayed in a bold, white, sans-serif font. The word 'THREE' is stacked above 'THIRTY'. The background of the entire advertisement is a photograph of two young boys in a classroom. The boy on the left, wearing a white t-shirt, is holding a red and black boxing glove towards the boy on the right. The boy on the right, also in a white t-shirt, is in a ready stance with his hands near his face. In the background, there are bookshelves filled with books and a window with red curtains. A red starburst graphic with the text 'YEARS 3-6' is positioned in the upper right corner of the photo.

ULTIMATE MARTIAL ARTS!

Martial arts helps children build strong, capable bodies while improving fitness, balance, coordination, and flexibility. As well as focus, discipline, and confidence as children learn techniques and practise self-control.

These skills extend beyond the class. Martial arts encourages perseverance, emotional control, and respect for others, helping children grow in school, friendships, and everyday life while developing practical self-defence awareness.
